

**DANSK SELSKAB FOR PLANTESYGDOMME OG SKADEDYR**  
DANISH SOCIETY FOR PLANT DISEASES AND PESTS

## Invitation

Selskabets medlemmer og medlemmer fra  
Danmarks Jordbrugsvidenskabelige Ph.d.- Forening

inviteres hermed på rundvisning hos

## Carlsberg Laboratorium

### Værter/Hosts:

Director for Raw Materials Pai Pedas & Director for Brewing Science, Yeast & Fermentation,  
Zoran Gojkovic – Carlsberg Group

**Tirsdag den 31. oktober 2023, kl. 14.00-16.00 (Tilmelding påkrævet: se nedenfor)**  
**Tuesday October 31 at 2pm – 4 pm (Registration required: see below)**

**Mødested/ Meeting point:**  
**Carlsberg Laboratorium, Gamle Carlsberg Vej 10, 1799 København V**

**Language will be Danish / English mix.**

The program will soon be finalized but will be including aspects as: Beer production and plans for new types of beer – also alcohol-free beer; Selection and breeding for new hops varieties including molecular approaches/sequencing etc.; Selection and breeding for new yeast types for beer production. Product quality like avoiding mycotoxins etc. might also be addressed. Organic production vs. traditional might also be included in discussions.

**Alle er velkomne / All are welcome – however,**

**Max deltagerantal 30 personer/ Max total number of participants 30**

**(approx.: 15 from each society) – Please in your registration and in the email info-line indicate your name and which of the two societies you are a member of. (There is probably also the option to become a member)**

**Tilmelding (registration to) til:**

**Dan Funck Jensen: email: [dan.jensen@slu.se](mailto:dan.jensen@slu.se) (mobil: 22637970 please sms)**

**senest Søndag 22. Oktober 2023 / deadline Sunday October 22, 2023.**

**På foreningernes vegne:**

**Dan Funck Jensen (Dansk Selskab for Plantesygdomme og Skadedyr)**

**Mette Lübeck (Danmarks Jordbrugsvidenskabelige Ph.d.-forening)**

/Dan Funck Jensen; 12/9
