

Date: 5 May, 2022

EuroBlight workshop 9-12 May, 2022 at Monte Verità, Ascona, Switzerland. The local host is Agroscope, the Swiss Centre of Excellence for Agricultural Research.

Monday 9	Monday 9 May	
18:00-21:00	Registration and mounting of posters, Monte Verità	
	 Registration in the hotel at the poster session area. 	
	 Mounting of posters. 	
	 Welcome reception "Get together" (from 19.00) 	
Tuesday 10 May		
07:30-08:10	Registration and mounting of posters, Monte Verità	
08:15-08:45	Opening and organisational remarks	
	Geert Kessel / EuroBlight	
	Karen Sullam / Local organiser, Agroscope	
	Irene Schmidli / Congressi Stefano Franscini / ETH Zürich	
Session 1	Late and early blight - importance and characteristics of the	
(Plenum)	pathogens. Status in Europe and beyond	
	Chairman: Jens G. Hansen, Sub-chair: Alison Lees	
08:45-09:15	Late blight and early blight in Europe in 2020 & 2021 / Geert Kessel, Isaac	
	Abuley & Hans Hausladen	
09:15-09:35	The evolving European population of <i>P. infestans</i> - global context and	
	consequences for IPM / David Cooke	
09:35-09:55	Five years of <i>P. infestans</i> population changes in France - patterns and	
	hypotheses / Didier Andrivon	
09:55-10:15	Discussion	
10.15-10:55	Coffee break and poster session	
10:55-11.15	Tizon Latino update / Florencia Lucca	
11:15-11.35	AsiaBlight update / Louise Cooke	
11:35-11.55	Update on EU regulatory system and ambitions of the Green Deal on disease	
	control / Albert Schirring	
11:55-12.15	Discussion	
12:15-13.25	Lunch	

Session 2	Epidemiology and host resistance
(Plenum)	Chairman: Geert Kessel, Sub-chair: Karen Sullam
13:25-13.55	Swiss agricultural policies and implications for practice / Jan Wäspe & Tomke
	Musa
13:55-14.15	Decision support and host resistance, experiences from the Netherlands /
	Geert Kessel
14:15-14:35	Application of blight forecasting to inform spray decisions / Alison Lees
14.35-14.55	Discussion
14.55-15.15	Coffee Break
15.15-15.35	Mechanistic modelling of potato yield loss caused by <i>P. infestans</i> . Relevance
	of rate of disease growth and time of infection in yield reduction /
	José Gonzalez
15.35-15.50	Efficacy of 3 R-gene late blight resistant potato cultivars in preventing
	infection by <i>Phytophthora infestans</i> in confined field trials in Indonesia /
	Philip Wharton
15.50-16.10	Role of seed potatoes in local migrations of Phytophthora infestans /
	Jadwiga Śliwka
16.10-16-30	Discussion
17:15-23:00	City tour of Locarno and dinner

Wednesday 11 May (Morning)	
Session 3	Control strategies
(Plenum)	Chairman: Bert Evenhuis, Sub-chair: Faye Ritchie
08.10-08.30	Status and future of precision agriculture in potato/ Fedde Sijbrandij
08:30-08:50	Contribution of airborne inoculum monitoring in the improvement of late
	blight management / Vivien Le Vourch
08:50-09:10	Prolonging the effective life of fungicides for the control of late blight / Faye
	Ritchie
09.10-09:30	Systems approach for early warning and control of late blight and early blight
	in Denmark / Jens G. Hansen
09:30-09.50	Intercropping as a sustainable alternative to reduce late blight infestation in
	potato / Zohralyn Homulle
09.50-10.10	Discussion
10.10-10.50	Coffee break and poster session
Session 4	Alternaria
(Plenum)	Chairman: Hans Hausladen, Sub-chair: Isaac Abuley
10.50-11.10	Improving decision support systems for an integrated control of Alternaria
	spp. in potatoes / Pieter Vanhaverbeke
11:10-11:30	Comparison of prediction models for the prediction of the first symptoms of
	early blight in the potato crop in A Limia, NW Spain / Laura Meno Farinas
11:30-11:50	Advances in Alternaria resistance research / Juergen Derpmann
11.50-12:10	Whole genome sequencing elucidates the species-wide diversity and
	evolution of fungicide resistance in Alternaria solani / Remco Stam
12:10-12:30	ECOSOL – Biological control agents against early blight in potato – screening
	for candidates / Nicole Bellé
12.30-12.50	Discussion
12.50-14.00	Lunch

Wednesday 11 th May (Afternoon) Parallel Sessions		
Session 5	Parallel subgroup meetings	
14:00-14.10	Introduction to parallel subgroup discussions	
	Geert Kessel, Alison Lees and Jens G. Hansen	
Session 5	Subgroup - control strategies	
	Chairman: Bert Evenhuis, Sub-chair: Faye Ritchie	
14.10-14:25	Avenues to reduce copper in organic potato farming with a natural product / Karen Sullam	
14:25-14:40	New approaches for selecting effective microorganisms to control late blight	
	/ Mout De Vrieze	
14:40-14:55	Identification of bioactive compounds from wild potato and utilization for	
	biological crop protection / Simon Schiwek	
14:55-15:10	Management of late blight with BlightManager / Isaac K Abuley	
15.10-15:30	Discussion	
15:30-16:00	Coffee break	
16.00-16:15	Sensitivity monitoring of isolates of <i>P. infestans</i> towards benthiavalicarb /	
	Tjaart Hofman	
16.15-16:30	BASF new Alternaria fungicide / Martin Teichman	
16:30-16:45	EuroBlight table experiments updates PLB, EB, BioBlight / Bert Evenhuis	
16:45-17:15	Discussion	
Session 5	Subgroup - Pathogen characteristics and host resistance	
	Chairman: David Cooke	
14.10-14:25	An improved PCR method for rapid and accurate identification of mating	
	types in P. infestans / Romain Mabon	
14:25-14:40	Characterising dominant P. infestans genotypes in Great Britain / James	
	Lynott	
14:40-14:55	A Field Nursery Data Management system for the monitoring of the type,	
	level and stability of host resistance / Isaac K Abuley	
14:55-15:10	Changes in late blight infection and development between 1922-2021 / Mati	
	Koppel	
15.10-15:30	Discussion	
15:30-16:00	Coffee break	
16.00-16:15	Outcome of the first decade of organic potato breeding for late blight	
	resistance in a participatory background in Southern Germany / Georg Foster	
16.15-16:30	Late blight control in resistant starch potato varieties / Iris Visscher	
16:30-16:45	Spray induced gene silencing to control late blight disease / Ramesh Vetukuri	
16.45 – 17.00	Discussion	
Session 5	Subgroup - Alternaria	
	Chairman: Hans Hausladen	
14.10-14:25	Observational Study of Early Blight in Swedish farms / Linnea Stridh	

14:25-14:40	<i>In vivo</i> and <i>in vitro</i> application of <i>Trichoderma</i> culture filtrates as biological control agent against <i>Alternaria solani</i> in potatoes / <i>Caroline Brune</i>
14:40-14:55	Daily patterns of dispersal of <i>Alternaria</i> conidia in a potato field influenced
	by meteorological conditions in the field / Laura Meno Farinas
14:55-15:10	The behaviour of some potato varieties to early blight (Alternaria spp.) in the
	central area of Romania (Tara Barsei county) / Manuela Hermeziu
15.10-15.30	Discussion
15:30-16:00	Coffee break
19:30-22.30	Workshop dinner at the hotel

Thursday 12 May Plenum The P. infestans global genetic landscape initiative (PiGGL) / 08.30-08.50 Jens G. Hansen & David Cooke Session 5 Parallel subgroup meetings continued 08:50-10:00 Control strategies: (Moderator: Bert Evenhuis, Secretary: Faye Ritchie)

- Updating fungicide tables
- New initiatives EuroBlight on control strategies related to the Farm to Fork (F2F) strategy
- International Collaboration
- Pathogen and host resistance: (Moderator: David Cooke, secretary: Geert Kessel)
 - Collaboration between networks: harmonisation, integration and sharing of data and results
 - 2022 monitoring in Europe and beyond
- New initiatives EuroBlight on Pathogen and Host resistance related to the F2F strategy **Alternaria**: (*Moderator: Hans Hausladen, Secretary: Nicole Bellé*)
 - Updating fungicide table
 - Collaboration between network: harmonisation, integration and sharing of data and results
 - 2022 monitoring in Europe and beyond and how to achieve the F2F goals

10:00-11:00	Coffee break
Session 6	Plenary session - outlook and new initiatives – reports and
	discussion. Chairman: Jens G. Hansen, Sub-chair: Alison Lees
11:00-12.15	Report from the subgroups
	 Alternaria Subgroup (Hans Hausladen) /10 +5 minutes
	 Fungicide Subgroup (Bert Evenhuis) / 10 + 5 minutes
	 Pathogen and Host resistance Subgroup (David Cooke) /10 + 5 minutes
	Outline of EuroBlight statement 2022 (Didier Andrivon) / 15 + 15 minutes
12:15-12.30	Closing of the workshop / Karen Sullam & Alison Lees
12.30-13:00	Sandwich To Go and Depart
13:15	Post workshop tour to Isole di Brissago for those registered
